Report**
Fiscal Year 2015

Dear Friends & Families of CEF,

We exist to share. Share our world on the Cape, our ways of learning, our research findings, our systems, our leaders, our solutions. We believe in doing good work to help all of us live better in a place, and that only happens if you share. We believe in the ripple effect and how our drop in the ocean out on the periphery is truly starting to create waves--waves that would not be possible without you.

You share with us. Your children, your families, your passion and your support. This enclosed report is honoring all of you who have shared with us and helped us share out so far this fiscal year.

Thank you for helping us be who we are today and who we are working to be tomorrow. Thank you for believing in us.

Sincerely,

Mary D. Assini
